I would like to voice my opinion about the possibility of destroying Horseshow and Casino Reefs. Please DO NOT disturb these reefs!!! This area should be protected as it is the home for many fish, mammals, coral reef, etc. This area is dived by hundreds and hundreds of people which boosts the local economy.

It would be an injustice if we were to damage or destroy this part of the ocean - please leave it in its current, natural state.

Respectfully,

Kim Weeks
